1937-38  
BEAUTIFUL OHIO

Beautiful and rare color best described as Tyrian pink, with 5 to 8 open florets with several buds showing the same beautiful color, enhancing the beauty of the spike as a whole.

*Beautiful Ohio* grows strong, straight and clean with no crooked spikes unless blown over. Florets are from 4 to 5½ inches and generally well placed. Size of the florets is just under that required for the exhibition type, hence it must be classed as a commercial variety. We predict that it will eventually be grown by all commercial growers. An early start will be to your advantage.

*Beautiful Ohio* has been a consistent winner of blue ribbons at major shows for 1936-37. Reports now in show:

1937

Blue ribbon in spike class, Boston  
Both blue and Red ribbon basket class, Springfield, Ill.  
Blue ribbon, Detroit

Blue ribbon, Columbus  
Blue ribbon, 100 foot display, Springfield, Ill.  
Blue ribbon, 3 spike class, Rochester, N. Y.

1936

Blue ribbons and gold medal, N. E. G. S. show, Boston  
Winner at Beverly, Mass. in 12 basket class

At Springfield *first*, single spike; *first*, 3 spike class; *first*, 25 spike basket class and *first* mantel decoration

Beautiful Ohio Prepaid Retail Prices are as follows. Wholesale prices will be found elsewhere.

We have quite a large stock of some of the best older and newer varieties. Some are in limited quantity; therefore in order to avoid disappointment we urge early orders. We have several of the newer varieties on trial and will list them as we find them meritorious.

We conserve space by giving but a short description of varieties, but shall be glad to furnish complete description if you ask for it.

If out of the size ordered, unless you object, we will fill your order with the next smaller or larger size as the case may be, making the count accordingly.

TERMS

Our terms are cash with the order, or if you prefer you may send 25% cash, balance to be paid just before shipment or C. O. D. as you prefer. (Cash payment is always cheapest to you).

We promised many interested in displays at the shows, to have this list out earlier but for various reasons beyond our control we are unavoidably delayed.

We list sizes 1 and 2 as (L) large, 3 and 4 as (M) medium, 5 and 6 as (S) small and bulblets.

## BEAUTIFUL OHIO

The only seedling from about 500 selected for re-trial that withstood the exacting requirements of the originator for introduction to the public.

We hold State Inspection Certificate No. 1244.
